

A Prayer for Time in His Presence

Dear Lord,

May I follow Mary's example, choosing the better portion, sitting at Your feet, and finding my strength and joy in Your presence. Transform me each day to reflect more of Jesus' character so that others might see You in me.

Father, as I seek to balance work, worship, and service, let all I do be for Your glory. Guard my heart against distractions and guide me in prioritizing my time with You above all else. Let my life be a living testimony of the peace and purpose found in You.

*In Jesus Name,
Amen*
