

A Prayer to Be God's Treasure

Heavenly Father,

Thank You for longing to make me Your treasure, for calling me precious and chosen. It fills my heart with awe to know that You desire to shape me into a jewel for Your glory. Lord, give me the desire to obey Your voice, keep Your covenant, and live as Your special possession, just as You declared to Your people.

I am humbled by the truth that you transform us from unpolished stones into radiant gems. Father, as a living stone in Your spiritual house, may I reflect Your light and build up Your Kingdom with a heart that is steadfastly focused on You.

Through the guidance of Your Holy Spirit, grow in me the fruits of the Spirit. Let these qualities shape my character, so I may walk as an example of Christ- glorifying, exalting, and magnifying You in all that I do.

Lord, teach me to live as part of Your spiritual Kingdom—a people set apart to proclaim Your praises and shine Your light in a dark world. Use me, O God, to fulfill Your purpose and to draw others into the beauty of Your truth.

*In Jesus' name, I pray.
Amen.*
